*Contemporary Research Topics*

**art & design 23:**  
September 2022

*Scope: Contemporary Research Topics (Art & Design)* is peer-reviewed and published annually by *Scope: Contemporary Research Topics*, Otago Polytechnic Press. Otago Polytechnic Ltd is a subsidiary of Te Pūkenga - New Zealand Institute of Skills and Technology.

The series *Scope (Art & Design)* aims to engage discussion on contemporary research in the visual arts and design. It is concerned with views and critical debates surrounding issues of practice, theory, history and their relationships as manifested through the visual and related arts and activities, such as sound, performance, curation, tactile and immersive environments, digital scapes and methodological considerations. With Aotearoa/New Zealand and its Pacific neighbours as a backdrop, but not its only stage, *Scope (Art & Design)* seeks to address the matters which concern contemporary artists and arts enquirers in their environments of practice.

**EBSCO Database:** *Scope: Contemporary Research Topics (Art & Design)* is catalogued on the EBSCO Database in recognition of academic quality and alignment with international peer review processes.

Mātauranga Māori is a significant component of Aotearoa/New Zealand's heritage, and sharing mātauranga Māori facilitates inter-cultural dialogue and understanding that is in the national interest. However, we recognise that the originating Māori community and/or individual has the primary interest as kaitiaki over the mātauranga and we are therefore committed to ensuring that the sharing, promotion and innovation based on mātauranga Māori respects and enhances its cultural and spiritual integrity, as well as that of the originating community and/or individual.

**Formats include:** editorials; articles; perspectives; essays; artist and designer pages; logs and travel reports; reports on and reviews of exhibitions, projects, residencies and publications; and moving, interactive works (to be negotiated with the editors for the online version, with stills to appear in the hardcopy version). Other suggested formats will also be considered; and special topics comprising submissions by various contributors may be tendered to the editors. All material will be published both in hardcopy and online. Submissions should engage with contemporary arts practices in ways which may contribute to critical debate and new understandings.

High standards of writing, proofreading and adherence to consistency through the Chicago referencing style are expected.
