Contemporary Research Topics

**Scope: Contemporary Research Topics (Learning and Teaching)** is peer-reviewed and published annually by **Scope: Contemporary Research Topics**, Otago Polytechnic Press.

The series *Scope (Learning and Teaching)* is concerned with views, critical debate and reflections on learning and teaching theory and practice. It seeks to address current topical matters in the field of tertiary education. Its focus is on building a sense of community amongst researchers from an array of New Zealand institutions with the goal of linking with a wider international community.

**EBSCO Database:** *Scope: Contemporary Research Topics (Learning and Teaching)* is catalogued on the EBSCO Database in recognition of academic quality and alignment with international peer review processes.

**An online version of the journal is available free at <https://thescope.org/journal/>**

ISSN (for hardcopy version): 1179-951X;

ISSN (for online version): 1179-9528.
